Hanworth Air Park Leisure Centre & Library Hounslow, London

The 'leisure hub' at Hanworth Air Park Leisure Centre benefited from revamped leisure facilities, and a brand new 300m² Library, served by a double height dual entrance using Senior's Hybrid Series 3 Curtain Wall.

Pringle Richards
Sharratt Ltd

Main Contractor:
John Sisk & Sons Ltd

Installer:
Elite Aluminium
Systems Ltd

Products:
Hybrid Series 3 Curtain Wall

The existing leisure facility has been transformed to include a state-of-the art 100 station gym; upgraded all year round tennis courts and a smart new cafe.

The alterations and improvements give the hub an entirely new look and link it into the surrounding park.

All the facilities are visible from the new main entrance, while the cafe looks out on to a newly re-landscaped area at the front of the building. There are two exercise studios, the larger of which has views of the newly landscaped rear courtyard and the park beyond.

SENIOR **HYBRID** SYSTEMS™

Senior Hybrid Systems is a division of Senior Architectural, the major UK supplier of aluminium and timber fenestration solutions designed to the highest standards.

Operating from three strategically situated centres at Doncaster, Newport and Livingston, Senior's maintains its original emphasis on customer service and local availability, and forming long term, mutually beneficial relationships with fabricators, architects and contractors.
