Goscote Palliative Care Centre Walsall

Goscote Palliative Care Centre in the West Midlands is the first building in the UK to achieve a design stage 'Excellent' rating under BREEAM Healthcare. Forming part of a LIFT scheme, the new two-storey building of 2,500m² provides a range of new inpatient and outpatient adult palliative care services.

SENIOR **HYBRID** SYSTEMS™

Goscote Palliative Care Centre, Walsall

Architect:

ADP Architects

Main Contractor:

Ashley House Plc

Installer:

Kingfisher Windows Ltd

Products:

Hybrid Series 3 Curtain Wall

Hybrid Windows

SPW600 Doors

BREEAM rating:

Excellent

Based on the concept of a 'hospice with a difference' the 12 bed inpatient facility provides specialist nursing across a range of disciplines. The individual deck areas outside each room, with planted areas and a planted sensory courtyard and sculptures, enhance the end of life care in Walsall.

SENIOR HYBRID SYSTEMS™

Senior Hybrid Systems is a division of Senior Architectural, the major UK supplier of aluminium and timber fenestration solutions designed to the highest standards.

Operating from three strategically situated centres at Doncaster, Newport and Livingston, Senior's maintains its original emphasis on customer service and local availability, and forming long term, mutually beneficial relationships with fabricators, architects and contractors.
